

Instructions for Adding New QPTM and TIPS CAW Environments

1. Navigate to the Citrix Receiver URL at <https://midremote.equitransmidstream.com/vpn/index.html>
2. Enter your User name and Password (This is the same User name and Password that you currently use to login.)
3. To access QPTM and/or TIPS please click Allow and select "All Apps"
4. From here, you will see a list of all environments that you currently have access to. To add additional environments, click on the "+" sign located on the left-hand side of the screen as shown below.

5. Once the "+" sign is clicked, you will be presented with a list of environments that you have access to. Select "**v16 QRP**"
6. Select the following from the list: "**QGMP-Quorum PTM CAW and/or QGMP-TIPS CAW**" depending on if you have access to Transmission, Gathering or both.
7. Once clicked, the items will move over to your Citrix Landing page and will be available for use.
